## **(Youth Caller Information)**

FOR E-News Contacts - Please SEND this message to the contacts in your part of the ARTS E-Mail Tree.

CALLERLAB is one of the Members of the ARTS Board. We are supporting CALLERLAB in the project described below.

CALLERLAB is working on a project to collect information for a research project on the following categories of dance leaders involved with supporting youth dance groups:

- 1) Callers of all ages who regularly call for youth,
- 2) Youth-age callers, and
- 3) Any youth-focused square dance group

Part of this project is an attempt to locate where youth are actively engaged in our activity, or where there is a possibility of getting youth engaged.

If you fall into one of those categories, or you know of someone who does, please help in the efforts to collect this information by going to the link below and completing the short survey:

Some of you MAY receive this message twice, I apologize for any double mailings and ask you to forgive and inconvenience.

Thanx for your support,

Jerry Reed  
ARTS Executive Director
