

Lessons and Mainstream Weekly Dances at Battle Lake

Square Dance lessons will begin on Sunday night, Aug. 15 at 6:30 at the Battle Lake Senior Center. Lessons will be followed by a regular Mainstream Square Dance that will go from 7:30 to 9:00 P.M. This will be a WEEKLY event, continuing for 10 weeks with graduation on Oct. 24th (week 11...right before we lose those who spend the winter in the south.) We will be having our usual lunch following each dance so everyone is encouraged to bring some sort of snack food. This is a time of fellowship together and a very important part of our club dynamics.

We are notifying area dance clubs about the lessons and weekly dance. I am contacting everyone I have on my email list to give them the good news, to ask them to begin recruiting new dancers and to encourage past dancers to brush up on their dancing skills after our LONG break.

It was decided that after the second week of lessons which is August `22, NEW dancers who have never danced before will have to wait until another time to take lessons. This is a great opportunity to begin, refresh, or continue this fun, rewarding activity, that makes exercise extremely pleasant and productive and to make lasting friendships. We want to encourage ALL ages to come, and if you know of any home school families, this is a wonderful way to fulfill their physical education requirement. Let people know about this fantastic opportunity that is right here in our community.

We would encourage everyone who dance to have their Covid 19 vaccine before lessons begin.

Lastly, everyone will be charged 5 dollars per person and a stipend will be given to Larry for each dance. Any questions or concerns, please call (218-948-2347) or email me.

Bonnie Lutz Good (Secretary)
Thank YOU!
