

County Line Squares

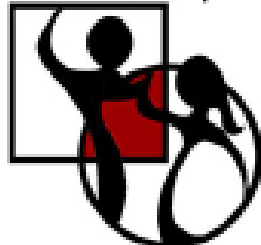

Learn to Square Dance

Monday Nights starting
Jan. 23, 2023 7- 9 PM

Monticello Middle School
(Door #20 near the Hospital)
800 Broadway E. Monticello

Live Lively -

Square Dance

If you are new to square dancing and would like a great introduction, the first lesson is free to give you a taste of square dancing. Regular Monday evening classes then follow during the school year (\$4/person each evening).

Learn with a professional square dance caller, Abe Maier. You do not need a partner, singles and couples are welcome and all ages over age 7. "Angels" (experienced dancers) will dance with the new dancers to help them learn. The dress is casual.
